

# Creating Users and assigning Role in Grafana

## User List of Grafana:

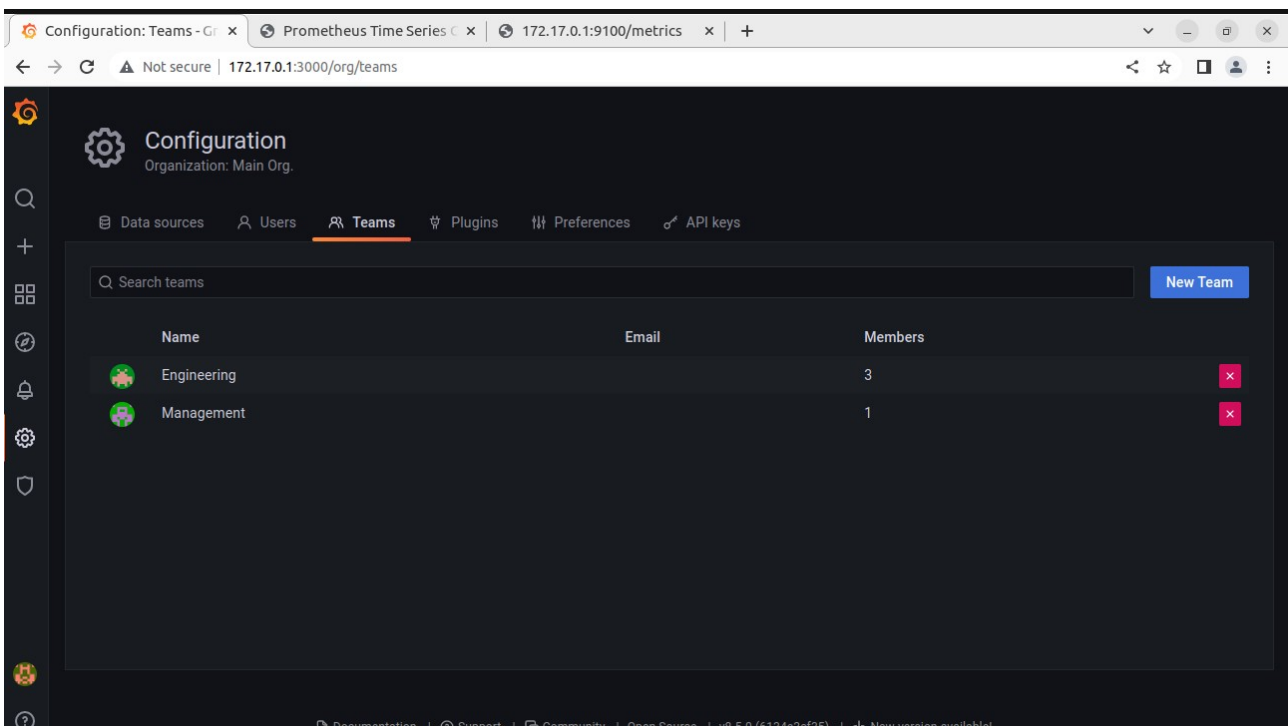

The screenshot shows the Grafana Server Admin interface. The top navigation bar includes tabs for Users, Orgs, Settings, Plugins, and Stats and license. The Users tab is selected, displaying a list of users. A search bar at the top allows searching by login, email, or name. A 'New user' button is located in the top right corner. The user list table has columns for Login, Email, Name, Belongs to, and Last active. The footer contains links for Documentation, Support, Community, Open Source, and version information (v8.5.0).

Login	Email	Name	Belongs to	Last active
Julian	julian@fau.de	Julian		Never
Khai	khai@fau.de	Khai		Never
admin	admin@localhost			< 1 minute
gaurav	gaurav@fau.de	Gaurav		4 days
locke	locke@fau.de	Locke		Never
muhammadali	muhammadali9699@gmail.com	Muhammad Ali		4 days
murali	murali@fau.de	Murali		Never

In “Server Admin” tab we can view all the existing users and also can add new users by clicking “New User” button.

## List of Teams(Engineering & Management)

In “Configuration” tab we can configure users and teams of our project. By Clicking on “Teams” tab we can view and add new Team according to the requirements.

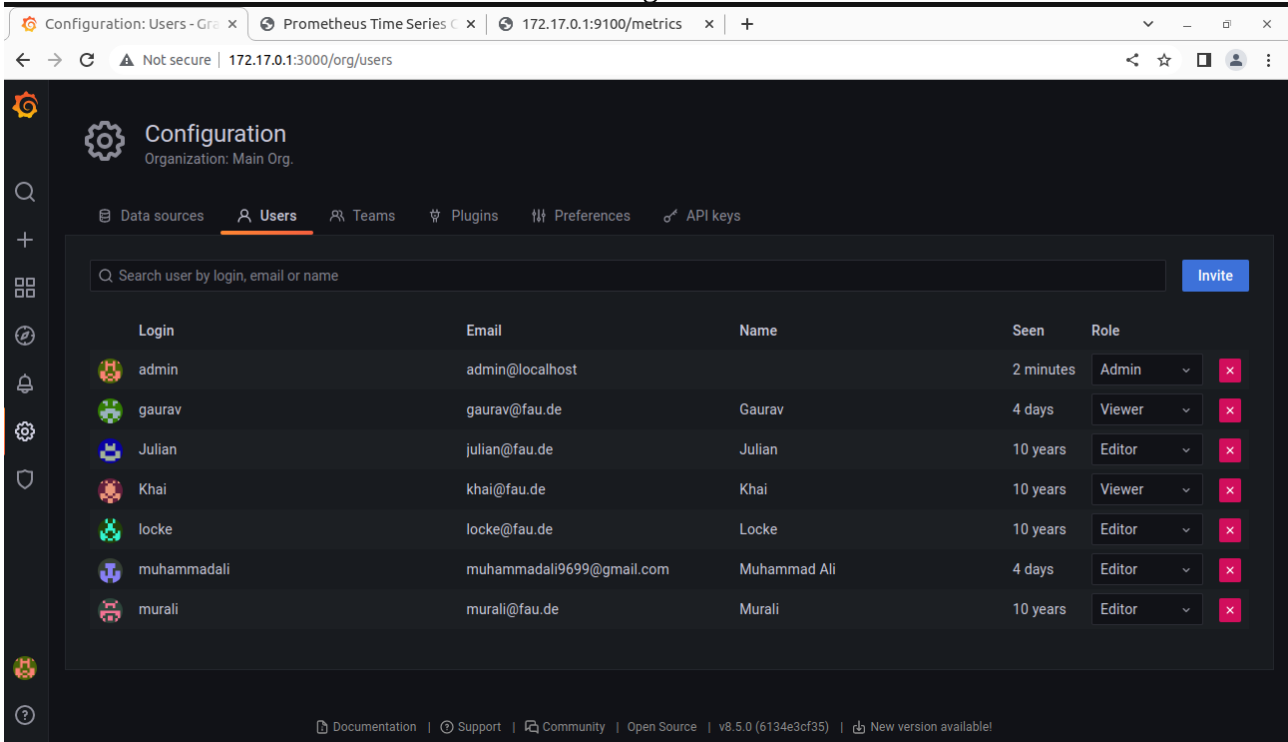

The screenshot shows the Grafana Configuration interface. The top navigation bar includes tabs for Data sources, Users, Teams, Plugins, Preferences, and API keys. The Teams tab is selected, displaying a list of teams. A search bar at the top allows searching for teams. A 'New Team' button is located in the top right corner. The team list table has columns for Name, Email, and Members. The footer contains links for Documentation, Support, Community, Open Source, and version information (v8.5.0).

Name	Email	Members
Engineering		3
Management		1

## User with assigned roles(Admin, Editor & Viewer)

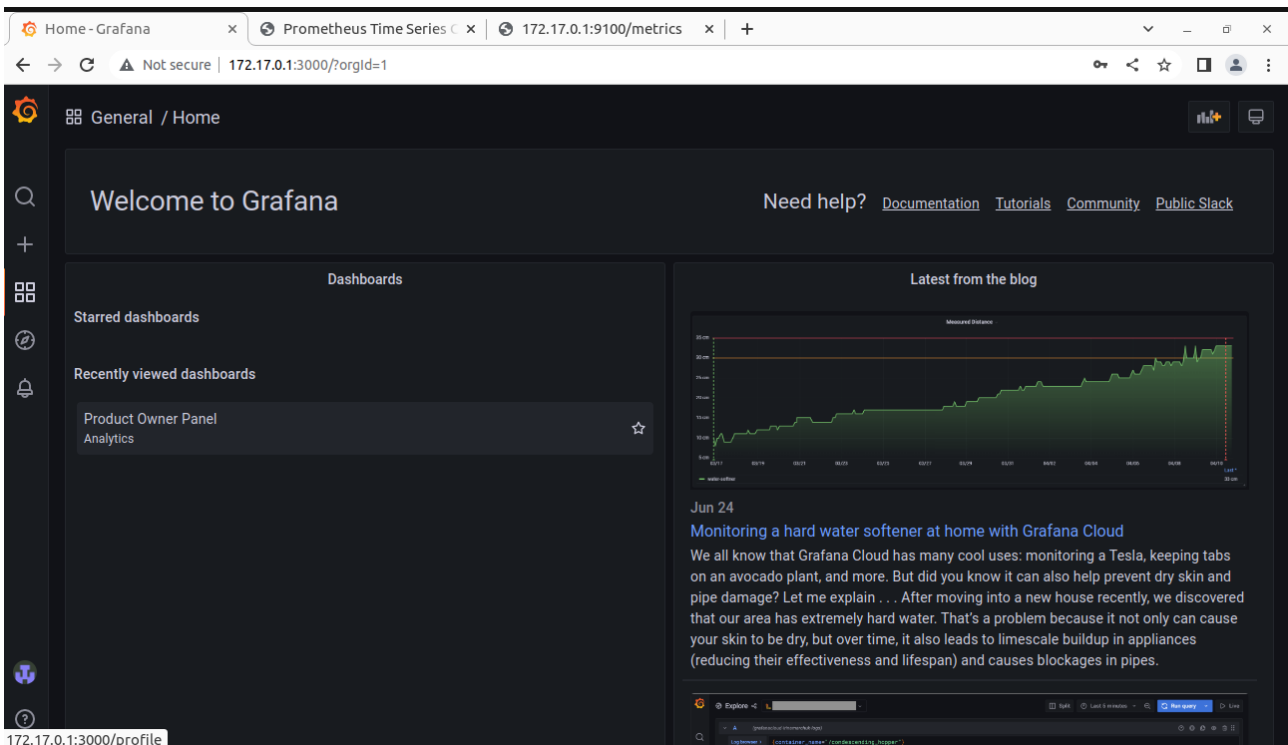

In “Configuration” tab we can configure users and assign roles to users of our project. By Clicking on “Users” tab we can view all users and can assign Role to each user.

The screenshot shows the Grafana Configuration page for the 'Main Org.' with the 'Users' tab selected. A search bar at the top allows searching by login, email, or name. Below the search bar is a table listing users with their login, email, name, last seen time, and role. Each user has a dropdown menu to change their role and a red 'X' icon to delete the user.

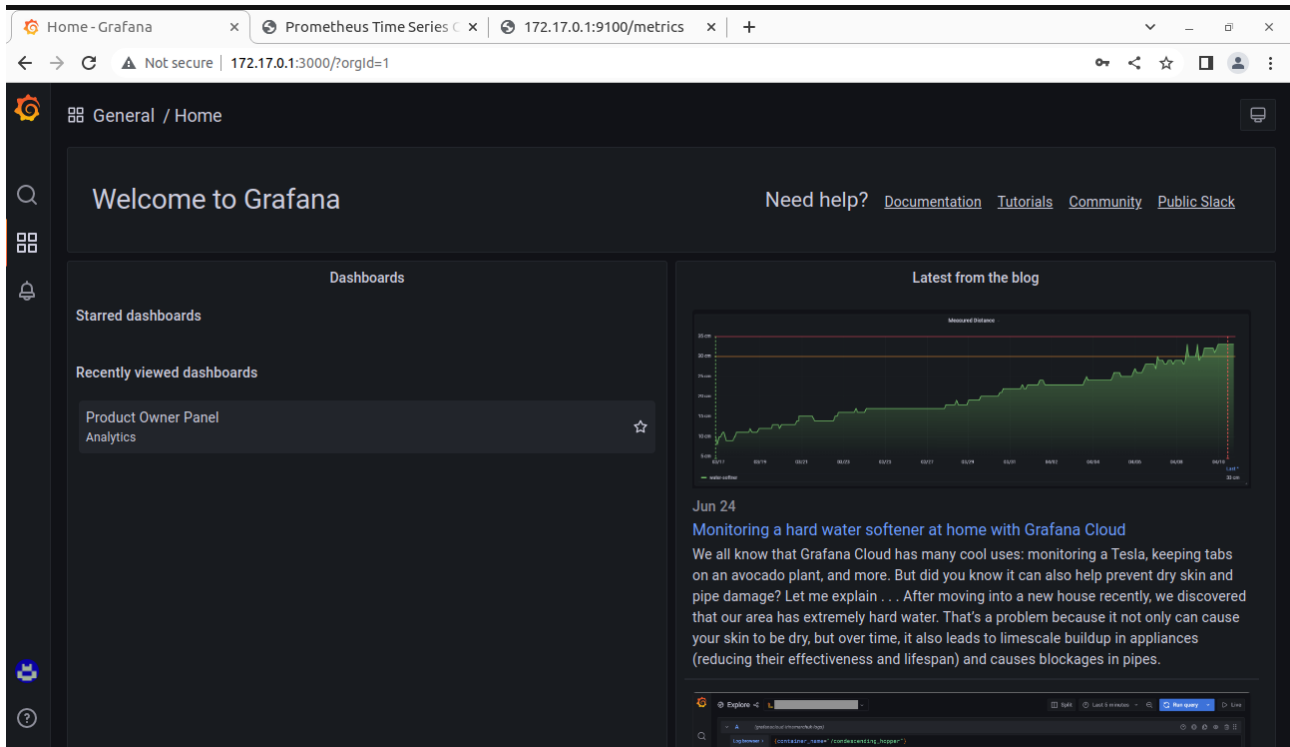

Login	Email	Name	Seen	Role
admin	admin@localhost		2 minutes	Admin
gaurav	gaurav@fau.de	Gaurav	4 days	Viewer
Julian	julian@fau.de	Julian	10 years	Editor
Khai	khai@fau.de	Khai	10 years	Viewer
locke	locke@fau.de	Locke	10 years	Editor
muhammadali	muhammadali9699@gmail.com	Muhammad Ali	4 days	Editor
murali	murali@fau.de	Murali	10 years	Editor

## Grafana Dashboard with editor access who can create and edit dashboards

The screenshot shows the Grafana Home dashboard. The left sidebar contains navigation links for General, Home, Dashboards, and Recent. The main content area displays 'Welcome to Grafana' and 'Need help?' links. Below this, there are sections for 'Starred dashboards' and 'Recently viewed dashboards'. The 'Recently viewed dashboards' section shows a dashboard titled 'Product Owner Panel Analytics'. On the right, there is a 'Latest from the blog' section featuring a blog post titled 'Monitoring a hard water softener at home with Grafana Cloud' dated Jun 24. The blog post text describes how Grafana Cloud can be used for monitoring various devices and appliances.

# Graphana Dashboard with viewer access who can only view dashboards

## Assigning new member to Team
